

FREE EYE SIGHT TESTING FOR BARANGAY RESIDENTS

.....Barangay Proposal

Attention.....(Barangay Captain)

Alpha Galaxy Optical (AGO) is offering the opportunity for your Barangay residents, including their children, to improve their quality of life by offering FREE **eye checkup** and consultation at your local Barangay center.

Good eye sight is vital for work, education, school and everyday life.

Our qualified and experienced staff will test your resident's eyes and offer those in need a wide range of economical frames and lenses at a price as low as 350 pesos.

Testing can be done on a day and time suitable to your Barangay.

Your resident will be required to leave a deposit of at least 100 pesos for each Optical item they order. Their orders will take 3 days to complete and will be delivered to your Barangay center at an agreed day and time. Full payment is due before any Optical items will be released to your residents

I trust we may be of beneficial service to you and your Barangay Residents.

Thank you for this opportunity, your generous consideration and time.

Respectfully yours,

Dr. Kris
Optometrist
